# Colorado Snowy Wonderland Weekend

# Colorado Snowy Wonderland Weekend

## Highlights

Visit a Rocky Mountain Winter Favorite and spend time playing in the snow with other Adventure Women Over 40 in the Breckenridge area in Colorado!

Activities are selected individually:

- Go on a guided snowshoe hike
- Enjoy a snowy sleigh ride to a wine-pairing private dinner
- Learn how to cross country or skate ski
- Glide across the snow leading your dogsledding team

## Moderate+ Activity Level

We recommend at least 150 minutes of aerobic activity per week (at a level that gets your heart beating faster) and being able to walk up to 3 hours at 2 miles per hour to feel good in the planned activities.

We will spend the entire time at an elevation of 8,000-9,500 feet, so please plan to spend a few days acclimating if arriving from lower sea level cities.

For the health of all participants, please note this is a smoke free trip and participants who violate this policy will not be allowed to stay in the tour and no refunds will be provided for any unused activities.
